Notice of Annual General Meeting

Important Notice

At the time of publication of this Notice, the UK Government has put in place a national lockdown with "stay at home" measures, prohibiting mixing outside of your household and non-essential travel, save in certain limited circumstances.

In light of these measures, the AGM will be held as a 'closed' meeting and shareholders will not be able to attend in person. The Company will make arrangements such that the legal requirements to hold the meeting can be satisfied through the attendance of a minimum number of directors.

In reaching this decision, the Company has taken into account the UK Government's 'Covid-19 Response – Spring 2021' roadmap (published on 22 February 2021).

Given the constantly evolving nature of the situation and if subsequently becomes possible to welcome a number of shareholders to the venue, attendance in this way is likely to be restricted in terms of numbers and we would therefore still encourage shareholders not to attend the venue in person and instead participate in the meeting electronically.

Shareholders are encouraged to submit a proxy vote in advance of the meeting. Details on how to submit your proxy vote by post, online or through CREST are set out on pages 4 and 5 of this Notice. Given the above, shareholders are encouraged to appoint the chair of the meeting as their proxy rather than a named person who may not be permitted to attend the meeting.

The Company acknowledges that, as a result of Covid-19, the UK Government may change current restrictions or implement further measures relating to the holding of general meetings during the affected period. Any changes to the AGM (including where and how the AGM is conducted) will be communicated to shareholders before the meeting through our website at <https://international.cppgroup.com> and, where appropriate, by RIS announcement.

Any questions relating to the business of the meeting may be submitted in advance through our website at <https://international.cppgroup.com/2021-annual-general-meeting-notice/> and will be answered on the website in due course.

Notice is hereby given that the Annual General Meeting (the "Meeting") of CPPGroup Plc (the "Company") will be held at 6 East Parade, at 11.00 am on 28 April 2021 to consider and, if thought fit to pass, the following resolutions:

 - (e) the Company may, before this authority expires, make a contract to purchase Ordinary Shares under the authority which would or might be executed wholly or partly after the expiry of such authority, and may make purchases of Ordinary Shares pursuant to any such contract as if this authority had not expired.
13. That the Articles of Association set out in the document produced to this meeting (and initialled by the Chairman of

the meeting for the purposes of identification) be and are hereby approved and adopted as the Articles of Association of the Company in substitution for and to the exclusion of all existing Articles of Association of the Company.

Notes to the Notice of Annual General Meeting

Entitlement to attend and vote

- Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, the Company specifies that in order to have the right to vote at the Annual General Meeting (and also for the purpose of determining how many votes a person entitled to vote may cast), a person must be entered on the register of members of the Company at close of business on 26 April 2021 or, in the event of any adjournment, at close of business on the date which is two business days before the day of the adjourned meeting. Changes to entries on the register of members after this time shall be disregarded in determining the rights of any person to attend or vote at the Meeting.

*As mentioned in the **important notice** at the beginning of this document, the AGM will be held as a 'closed' meeting and shareholders will not be able to attend in person. Shareholders are therefore encouraged to submit a proxy vote in advance of the meeting.*

Appointment of proxies

- If you are a member of the Company at the time set out in note 1 above, you are entitled to appoint another person or persons as your proxy or proxies to exercise all or any of your rights to attend, speak and vote at the Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by you. You can only appoint a proxy using the procedures set out in these notes. *As mentioned in the **important notice** at the beginning of this document, due to the current circumstances, you are encouraged to appoint the Chairman of the meeting as your proxy rather than a third person, who may not be allowed to attend.*
- If you are not a member of the Company but you have been nominated by a member of the Company to enjoy information rights, you do not have a right to appoint any proxies under the procedures set out in this Appointment of proxies section. Please read the section "Nominated persons" below.
- Details of how to appoint the Chairman of the Meeting as your proxy are set out below.
- A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If you select the "Discretionary" option or no voting indication is given, your proxy will vote or abstain from voting at his or her discretion.

Voting arrangements

- In order to reduce the Company's environmental impact our intention is to remove paper from the voting process as far as possible. You are therefore asked to vote in one of the following ways:
 - Register your vote on line through our registrar's portal - <https://www.signalshares.com/> You will need your investor code which is printed on your share certificate or may be obtained by calling the Company's registrar, Link Group, on 0871 664 0300. If you are outside the United Kingdom, please call +44 (0) 371 664 0300 (Calls from the UK cost 12p per minute plus your 'phone company's access charge. Calls outside the United Kingdom will be charged at the applicable international rate).
 - CREST members may use the CREST electronic proxy appointment service as detailed in note 7 below.

If you prefer, you may request a hard copy form from Link Group using the numbers shown above and return it to Link at the address shown on the form.

All proxy appointments, whether electronic or hard copy, must be received by the Company's Registrar no later than 48 hours

before the time appointed for holding the Meeting (excluding non-working days).

Appointment of proxies through CREST

- CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Meeting and any adjournment(s) thereof by utilising the procedures, and to the address, described in the CREST Manual available via www.euroclear.com/CREST subject to the provisions of the Company's Articles of Association. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("**EUI**") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID **RA10**) no later than 48 hours before the time appointed for holding the Meeting (excluding non-working days). For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should take note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST proxy instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST proxy instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.

Appointment of proxy by joint members

- In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Changing proxy instructions

- To change your proxy instructions simply submit a new proxy appointment using the methods set out above. The cut-off time for receipt of proxy appointments (see above) also applies in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.

Notes to the Notice of Annual General Meeting *continued*

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

10. In order to revoke a proxy instruction you will need to inform the Company by sending a signed hard copy notice to the Company's Registrar clearly stating your intention to revoke your proxy appointment. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.

The revocation notice must be received by Link Group no later than 48 hours before the time appointed for holding the meeting (excluding non-working days).

If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid.

Issued shares and total voting rights

11. As at the Latest Practicable Date, the Company's issued share capital comprised 8,743,463 Ordinary Shares of £1.00 each. Each Ordinary Share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at the Latest Practicable Date is 8,743,463.

Nominated persons

12. If you are a person who has been nominated under section 146 of the Act to enjoy information rights (a "**Nominated Person**"):
- You may have a right under an agreement between you and the member of the Company by whom you were nominated to have information rights (the "**Relevant Member**") to be appointed (or to have someone else appointed) as proxy for the Annual General Meeting.
 - If you either do not have such a right or if you have such a right but do not wish to exercise it, you may have a right, under an agreement between you and the Relevant Member, to give instructions to the Relevant Member as to the exercise of voting rights.
 - Your main point of contact in terms of your investment in the Company remains the Relevant Member (or, where applicable, your custodian or broker) and you should continue to contact them (and not the Company) regarding any changes or queries relating to your personal details and your interest in the Company (including any administrative matters). The only exception to this is where the Company expressly requests a response from you.

The statement of the above rights of the members in relation to the appointment of proxies does not apply to Nominated Persons. Those rights can only be exercised by members of the Company.

Documents on display

13. Copies of Directors' service contracts, Non-Executive Directors' letters of appointment and the Company's Articles of Association are available for inspection by members during normal business hours at 6 East Parade, Leeds, LS1 2AD.
14. Biographical details of those Directors being put forward for election are contained in the Corporate Governance Report on pages 34 and 35 of the Annual Report & Accounts and on the Company's website <https://international.cppgroup.com>.

A copy of this Notice, and the other information required by section 311A of the Act, can be found at <https://international.cppgroup.com/investors/shareholder-info/>.

Communication

15. Except as provided above, members who wish to communicate with the Company in relation to the Meeting should contact the Company Secretary, by writing to the registered office of the Company. No other methods of communication will be accepted. Shareholders may not use any electronic address provided either in this Notice of General Meeting or any related documents (including the proxy form), to communicate with the Company for any purposes other than those expressly stated.

Corporations which are members

16. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

Asking questions at the Annual General Meeting

17. Any member attending the Annual General Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information, (b) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered. *As outlined at the beginning of this Notice any questions should be submitted in advance of the meeting, through the Company's website at <https://international.cppgroup.com/2021-annual-general-meeting-notice/>.*

Explanatory notes

1 Resolution 1: Financial Statements

For each financial year the Directors are required to present the audited financial statements, the Directors' Report and the Auditor's Report to the shareholders at a general meeting. *Questions from shareholders on the financial statements and any other matters relating to the Company's business may be submitted to the Company's website in advance of the meeting, as detailed in the **important notice** at the beginning of this document.*

2 Resolutions 2 to 6: Election of directors

Under the Company's Articles of Association any Director who has been a Director at each of the preceding two Annual General Meetings and who was not appointed or re-appointed by the Company in general meeting at, or since, either such meeting, shall retire by rotation.

Accordingly, Mark Hamlin, Tim Elliott and Oliver Laird will seek re-election, and David Morrison and Simon Thompson will seek election at the Meeting.

The Board believes that its performance continues to be effective and that the election of Directors is consistent with the Board's evaluation of the size, structure and composition of the Board.

Biographical details of all Directors are set out on pages 34 and 35 of the Annual Report and Accounts and on the Company's website <https://international.cppgroup.com>.

3 Resolutions 7 and 8: Re-appointment and remuneration of auditors

At each Annual General Meeting the Company is required to appoint an Auditor to serve until the next such meeting. Deloitte LLP has expressed its willingness to continue in office for a further year. Resolution 7 proposes the re-appointment of Deloitte LLP and resolution 8 proposes that, in accordance with normal practice, the Directors should be authorised to agree the fees of the Auditor.

4 Resolution 9: To declare a final dividend

The payment of a final dividend requires the approval of shareholders at a general meeting. The Directors recommend a final dividend in respect of the year ended 31 December 2020 of 25 pence per share to be paid on 12th May 2021 to the holders of shares on the register of members at the close of business on 9th April 2021.

5 Resolutions 10 (Authority to allot shares) and 11 (Disapplication of pre-emption rights)

Under the Act your Directors may allot shares and grant rights to subscribe for, or convert any security into shares, only if authorised to do so by the Company's shareholders. The Act also prevents allotments for cash, other than to existing shareholders in proportion to their existing shareholdings (what are known as "pre-emptive rights"). The authority granted by a shareholders' resolution dated 28 May 2020 is due to expire at the conclusion of this year's Annual General Meeting. Accordingly, resolution 10 will be proposed to allot Ordinary Shares up to a maximum nominal amount of £2,914,487, representing approximately one third (33.3 %) of the Company's issued share capital on the Latest Practicable Date.

Under resolution 11, the Directors will be able either to issue shares for cash, other than to existing shareholders in proportion to their existing holdings, up to a maximum amount of £874,346, representing approximately 10% of the issued ordinary share capital or in a rights or other pre-emptive issue provided that of such amount, up to a maximum amount of £437,173, representing approximately 5% of the issued ordinary share capital is ring-fenced to be applied only for the purposes

of financing (or refinancing, if such refinancing occurs within six months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice.

These arrangements are intended to ensure that the interests of existing shareholders are protected so that, for example, in the event of an issue of new shares for cash to new shareholders, which is not a rights issue, the proportionate interest of existing shareholders could not, without their agreement, be reduced by more than 10%.

In compliance with the Statement of Principles issued by the Pre-Emption Group of the Association of British Insurers, it is the intention of the Company that the cumulative usage of the authority granted by resolution 11 within a rolling three year period shall not exceed 7.5% of the Company's issued share capital without prior consultation with shareholders.

Passing resolutions 10 and 11 will extend the Directors' flexibility to act in the best interests of shareholders, when opportunities arise, to issue new shares. Save for the allotment of shares pursuant to the Company's existing share option schemes, the directors have no intention at this time to allot shares pursuant to the passing of these resolutions. To reflect market practice, the Company has widened the potential offers that could benefit from a disapplication of the pre-emptive provisions of section 561(1) of the Act to include open offers in addition to rights issues or other pro-rata offers.

As at the date of this notice the Company holds no treasury shares.

The authorities sought by resolutions 10 and 11 will last until the conclusion of the next Annual General Meeting in 2022 or 27 July 2022 (whichever is the earlier).

6 Resolution 12: Purchase of own shares

This resolution will give the Company authority to purchase its own shares in the market up to a limit of 874,346 Ordinary Shares, being approximately 10% of the Company's ordinary shares in issue (based on the issued share capital as at close of business on the Latest Practicable Date).

The maximum and minimum prices are stated in the resolution. Your Directors believe that it is advantageous for the Company to have this flexibility to make market purchases of its own shares. The authority sought by resolution 12 will last until the conclusion of the next Annual General Meeting to be held in 2022 or 27 July 2022 (whichever is the earlier). The Directors have no intention at this time to purchase any shares pursuant to the passing of this resolution, and would only do so if satisfied that, in their opinion, a purchase would be expected to result in an increase in expected earnings per share and would be in the interests of shareholders generally.

In the event that shares are purchased under this authority, they would either be cancelled (and the number of shares in issue reduced accordingly) or, in accordance with the Act, be retained as treasury shares. Whilst held in treasury, all rights attaching to the Ordinary Shares, including voting rights and any rights to receive a dividend, are suspended. The Company will consider holding repurchased shares pursuant to the authority conferred by this resolution as treasury shares. This would give the Company the ability to re-issue treasury shares quickly and cost effectively and would provide the Company with additional flexibility in the management of its capital base.

Explanatory Notes *continued*

7 Resolution 13: Adoption of New Articles of Association

The Company's current Articles of Association have not been updated since 13 January 2015. The Company is taking the opportunity at the 2021 Annual General Meeting to propose certain amendments to the Company's Articles of Association principally in order to reflect developments in technology and practice and to provide clarification and additional flexibility.

The Company is proposing the adoption of the new Articles of Association ("proposed new Articles") rather than amendments to the current Articles of Association adopted in 2014 ("current Articles").

The proposed new Articles include provisions enabling the holding of general meetings of the Company by means of a combined physical and electronic meeting whereby a general meeting will continue to be held at a physical venue but the Company will have the option to put in place additional facilities to enable shareholders to attend the meeting by electronic means. This would include by means of electronic facilities such as websites, conference call systems or other electronic devices. The proposed new Articles are intended to allow (but not require) the Company to embrace and utilise new technology as it develops. The proposed new Articles are in line with best practice and do not allow the holding of "virtual only" general meetings. Nothing in the proposed new Articles will preclude physical general meetings being held.

Other changes, which are of a minor, technical or clarifying nature, have not been noted. A copy of the proposed new Articles and a copy marked to show the changes from the current Articles will be available for inspection at the 2021 Annual General Meeting, and are on the Company's website at <https://international.cppgroup.com/investors/shareholder-info> and at the Company's registered office.

Resolution 13 will be proposed as a special resolution. If passed, the proposed new Articles will take effect from the conclusion of the 2021 Annual General Meeting.

Recommendation

Your Directors believe that the proposed resolutions to be considered at the Annual General Meeting as set out in this document are in the best interests of the Company and its shareholders as a whole. Accordingly, your Directors unanimously recommend that you vote in favour of them.
